Here is what happens next:

1. Our team will gather the items for your order.
2. Once the order has shipped, you will receive an email notification with a tracking number.
3. Grab your toolbox! Your part has arrived.

Providing your VIN is the best way to validate that the part will fit your vehicle! If you did not provide your VIN when placing this order, you may hear from our customer support team requesting it.

If you would like to submit your VIN for part fitment confirmation, please reply directly to this email and a customer support team member will assist you.

**Please note: the shipping charges are estimated may be adjusted after your parts are packed and ready to ship. If the amount is greater than the estimate, our customer service team will reach out*

for approval before we ship.

Thanks for your order!
